

# Titan West Cattle Gates

## The Industry's Strongest, Most Versatile Cattle Gates

### Titan West Cattle Gate

Our cattle gates are constructed entirely of high-tensile square tubing—featuring cut-to-ft upright spaces (vertical supports) & reinforced hinges.

#### Features:

- Constructed entirely of high-tensile square tubing
- Cut-to-ft upright spaces, not more than 4' apart
- Powerful reinforced hinges
- Mitered corners for added strength
